MyStore+ to offer rewards to all PayPoint retailers

10 June, Welwyn Garden City: PayPoint today announces a new partnership with McCurrach, a leading multi-service sales and marketing agency, to deliver rewards and incentives to retailers on the company's convenience engagement app MyStore+.

Over the next few months, PayPoint's retail partners will be able to access rewards as part of their PayPoint package. To celebrate the partnership, McCurrach is offering brands exclusive promotional rates on deals on the MyStore+ app, to engage retailers and incentivise them to stock certain products.

Anthony Sappor, Head of Retail Propositions & Partnerships, PayPoint said: "We are thrilled to announce our partnership with McCurrach, which represents our commitment and ambition to drive greater value to retailers and help move their businesses forward over the long term.

"McCurrach is a leader in its field and the MyStore+ app has an intuitive, high-spec functionality which marries well with our own technological leadership in the retail sector. I look forward to working with the McCurrach team over the coming months as they fully establish their long-term value to our network of hard working, inspirational retailers throughout the UK."
