PayPoint extends ATM cashback offer

Welwyn Garden City, 5 March 2018: PayPoint have now extended their ATM cashback offer to all retailers who switch to a PayPoint ATM. The offer gives retailers the opportunity to earn £300 cashback (per annum) for up to 5 years (totalling £1,500) when they take a PayPoint ATM1.

PayPoint's ATMs are now in over 4,000 stores across the UK, providing retailers with significant savings on their cash-banking costs, with some saving more than £600 per month. Retailers also benefit from a unique net settlement process that improves cash-flow.

Anthony Sappor, ATM Product Manager at PayPoint plc commented: "I am delighted to announce we are extending our offer so more retailers can benefit from reduced banking charges and offer a vital service to their customers. As bank branches continue to close, ATMs within convenience stores play an increasingly key role in serving local communities as well as driving footfall and cost benefits to retailers."

Retailers can find out more about the offer via their Territory Development Manager or by visiting paypoint.com/atmcashback.
