PayPoint launches latest EPoS promotion ahead of holiday season

Welwyn Garden City, 16 November 2021: Ahead of the festive season, PayPoint is offering retailers an opportunity to join the network and claim 2 months' service fee refund when signing up for PayPoint One.

Retailers joining either the PayPoint One Core and Pro packages will be able to take advantage of advanced EPoS features including mobile stock inventory management, printing shelf-edge labels and the easy set-up of promotions and special offers.

Eligible retailers who opt to take part in the promotion are able to submit an email claim for 2 months' service fee refund when signing up to the PayPoint One Core or Pro package by 31 December 2021 and completing an initial transaction. The packages provide retailers with an EPoS that can help maximise footfall and increase sales ahead of the busy festive period.

Ben Ford, Retail Services Director at PayPoint said: "At PayPoint, we're always looking at ways to support retailers get the most out of their stores. With no upfront cost as standard, our 2 months' service fee refund promotion allows retailers to dive deep into our advanced EPOS as they approach the busiest part of the year."

PayPoint's holiday promotion runs from 01 November – 31 December 2021. For more information on the offer and full terms and conditions, retailers can click [here](#)
