PayPoint Offers One Month Service Fee Refund to New Retailers

01 September, Welwyn Garden City: PayPoint has announced a promotion that will see new retailers signing up to the services entitled to claim a one-month service fee refund.

The promotion, which goes live on Thursday 1st September, will enable retailers who join the expansive PayPoint network to claim back their first month's service fee.

The offer comes after a series of exciting PayPoint partnerships that include Snappy Shopper, enabling local home delivery and click and collect, and the MyStore+ app, enabling rewards for simply stocking certain lines in store, as well as Collect+, the parcel collection service which help retailers increase their footfall and reap the commissions that come with it.

Ben Ford, Customer Experience Director at PayPoint said: "Convenience stores have always played a pivotal role in our towns and cities as they provide a service that local communities can and do rely on. Our latest promotion means that retailers can take full advantage of our leading technology, the strength and range of our partnerships, and the increased footfall and business they bring."

This service fee refund scheme will run from Thursday 1st September to Monday 31st October.
