PayPoint to showcase at Independent Retail Show

Welwyn Garden City, 16 October 2012: PayPoint, the UK's leading retail payments and services network, is returning to the Independent Retail Show this year, where it will be showcasing its full range of services, including PPOS, its new EPOS-integrated system, as well as ATMs, debit/credit and its direct SIM card sales channel – and revealing how PayPoint adds up to increased footfall and higher sales for your shop.

The Independent Retail Show, formerly the CTN Show, takes place at the NEC on 28-29 October. PayPoint will be on Stand 326 on the aisle straight ahead of the visitors' entrance.

Retailers who want to find out more about PayPoint can visit the stand to speak with representatives from the company, or can book a specific time by contacting Hannah Creasey at hannahcreasey@paypoint.co.uk in advance of the Show.

To add to the fun of the event, PayPoint will be offering visitors to its stand the chance to win a mystery star prize on an interactive wheel of fortune game.
